

E30132

PEEK-ADAPTER

Accessories

Product characteristics

Adapter

M8-M8

Electrical isolation

Environment

Ambient temperature [°C] -30...260, briefly up to 300 °C

Mechanical data

Design for vibration sensors VSA001, VSA101, VSA201

Housing materials PEEK

Weight [kg] 0.008

Remarks

Remarks When necessary, secure the thread with industrially compatible glue, e.g. DELO - ML 5249

Pack quantity [piece] 1

Other data

Max. tightening torque [Nm] 3.5
